

MESSAGE OF THE ICREPQ SC CHAIRMAN

Dear Colleague,

It is our great pleasure to invite you to **ICREPQ'19- "17th International Conference on Renewable Energies and Power Quality"**, to be held in Tenerife, Canary Islands Spain, from 10th to 12th April 2019.

This Conference, now in its 19th edition, is the major International Conference devoted entirely to renewable energies and power quality. Started in Vigo in 2003, is now established as a regular annual event.

Very successful ICREPQ conferences were held in Vigo (2003), Barcelona (2004), Zaragoza (2005), Palma de Mallorca (2006), Sevilla (2007), Santander (2008), Valencia (2009), Granada (2010), Las Palmas de Gran Canaria (2011), Santiago de Compostela (2012), Bilbao (2013), Córdoba (2014), La Coruña (2015), Madrid (2016), Malaga (2017) and Salamanca (2018). Now we want to organize a very unforgettable conference in the University of La Laguna, founded in 1792 in San Cristóbal de La Laguna, it is the oldest university in the Canaries. A UNESCO World Heritage Site, the city is the second to have been founded on the island and, of course, this will be not possible without your participation. All of you are welcome!.

This Conference, like its predecessors, is a forum for specialists engaged in the fields of renewable energies and power quality, can discuss current progress and future developments and trends in these two important areas, and also in those topics like: electric vehicles, electrical machines and drives, power electronics, control strategies, monitoring and diagnostics, etc, that are connecting with them. For to exchange information and experience of developments, trends and applications, from researchers, academics and professionals. Topics related to practical applications, operations, maintenance and teaching are also highly encouraged.

You are strongly encouraged to participate and submit papers to the ICREPQ'19 Conference for regular and special sessions. Potential authors and other interested participants are most welcome to visit and discover the information of our conference web page. English will be the working language for all printed material, presentations and discussions.

I would appreciate if you could send this information to Colleagues of yours that might be interested.

Thank you very much for your interest and collaboration and I hope forward seeing you in Tenerife in April 2019.

With my best wishes,

Manuel Pérez Donsión

Chairman of the ICREPQ Steering Committee
Full Professor of Vigo University
