

## **DEFINITIVE FULL PAPERS**

Authors of accepted extended abstracts or provisional full papers will be requested to submit the definitive full papers for their presentation, oral or like poster, at the "18th International Conference on Renewable Energies and Power Quality (ICREPQ'20)"

The definitive full papers should not exceed six double column A4 (21x29.7 cm) pages, including figures, tables and diagrams. Please, explain clearly the nature of the problem, previous work, purpose and contribution of the paper, conclusions and references. You can send us the full papers in Adobe Acrobat (.pdf) or MS Word (.doc) at the following electronic address: [icrepq@icrepq.com](mailto:icrepq@icrepq.com), [donsion@icrepq.com](mailto:donsion@icrepq.com) or [secretariat@icrepq.com](mailto:secretariat@icrepq.com). You will receive a message about the reception of your e-mail.

If you have sent for the ICREPQ'20 a provisional full paper and this one is accepted by the International Scientific Committee members (ICREPQ-ISC), in a peer review process, you must send us the definitive one, or a message saying that we can consider the provisional full paper like a definitive one. Each author can present in the ICREPQ conference a maximum of three papers, the second and third papers will have an additional cost, and it is important that you say us the preferences of your paper presentation (oral or like poster) when you send us the full papers using the Paper presentation form

Please follow like guideline the ICREPQ-Template to ensure an uniform appearance of all papers. Please include also the top of the first page of the template on the first page of your paper.

Please fill up the ICREPQ-Copyright and send it to us after scanned it.

### **Where will be included the papers presented at ICREPQ?**

All the papers presented at the ICREPQ will be included on-line in the ICREPQ-Database [www.icrepq.com/papers-icrepq.html](http://www.icrepq.com/papers-icrepq.html) where they can be download free (without any cost) and in the ICREPQ-USB Memory with ISBN that we will deliver to all the participant during the conference days. You can see the ISBNs of the previous ICREPQ conferences clicking on the link: ISBNs of the previous ICREPQ conferences .

On the other side, the high quality research papers will be published in the open access Renewable Energy and Power Quality Journal (RE&PQJ), with ISSN: 2172-038X and the DOI: <https://doi.org/10.24084/repqj18.xxx> (xxx=reference-numbers for each paper). The RE&PQJ will be indexed by SCOPUS.

All the papers presented at ICREPQ'20 and not selected for the journal RE&PQJ can be included in the in the open access E&Q Journal (Energies and Quality Journal) ISSN: 2659-8779 and DOI: <https://doi.org/10.25084/eq.02.xxx> (xxx=reference-numbers for each paper).

On the other side and like is traditional, most of the papers presented at ICREPQ can be included in a large number of different journals that usually publish many ICREPQ papers and some of them can be selected for to be published in one of the ICREPQ-Books that usually publish Cambridge Scholars Publishing.

In any case after the conference the authors have 15 days for to improve their full papers with the comments that they have received during the conference.

The definitive full papers, registration and full payment, are due before January 20th, 2020. (If you proposal was provisionally accepted then you must send us your full paper before January 10, 2020, in order to have enough time for a new review of the paper).
