(*) The interested authors can send proposals of papers (digest of a minimum of two double columns pages), or preferable provisional full papers (from 4 to 6 double columns pages), for ICREPQ'20. The authors must fill up one sheet, that is on the web site, with their preferences about the presentation of the paper. If they prefer an oral presentation they must select the special session that they consider the most adequate for their paper presentation. The proposals of papers can be sent to: icrepq@icrepq.com, donsion@icrepq.com or donsion@uvigo.es

The definitive full papers will be included in the International Conference on Renewable Energies and Power Quality USB Memory with ISBN, in the web site and surely, most of them, in the open access Renewable Energy and Power Quality Journal (RE&PQJ), with ISSN: 2172-038X, the DOI (Digital Object Identifier). <https://doi.org/10.24084/repqj20.xxx>.
